

SK TAUSIF

Full Stack Developer (React | Node | MySQL)

✉ sktausif1064@gmail.com | 📞 +91 9040696785 | 🌐 tausif.tech | in tausif.linkedin | 🐙 tausif.github

PROFESSIONAL SUMMARY

Motivated and self-driven full stack developer skilled in React, Node, Tailwind, and MySQL. Passionate about building scalable applications and delivering efficient solutions while continuously enhancing technical expertise. Currently working as a Senior Business Development Executive, where I collaborate with clients and technical teams—gaining hands-on experience in requirement analysis, solution discussions, and cross-functional teamwork—strengthening my transition into a dynamic developer role. Eager to leverage both technical and business insights to contribute to projects and drive innovation within a collaborative environment.

TECHNICAL SKILLS

- Frontend: React.js, HTML5, CSS3, JavaScript (ES6+), Tailwind CSS, bootstrap
- Backend: Node.js, Express.js
- Databases: MySQL, MongoDB
- Tools & Platforms: Git, GitHub, VS Code, Vercel, Netlify
- Other: RESTful APIs, Responsive Web Design, Problem-Solving

PROFESSIONAL EXPERIENCE

Senior Business Development Executive

SA Intellect Solutions | SEP 2025– Present

- Bridging business needs with technical solutions by gathering client requirements, analyzing pain points, and recommending appropriate IT products and services.
- Collaborating with technical teams to design tailored solutions in areas such as software development, cloud services, and system integration.
- Conducting product demos, preparing technical presentations, and creating solution-oriented proposals for prospective clients.
- Managing CRM tools, preparing data-driven reports, and tracking KPIs to optimize sales strategies

PROJECT DETAILS

AskAI – AI-Driven Interactive Knowledge Assistant | [Live Demo](#)

Technologies: Vite, React, Gemini API, Tailwind CSS

- Developed an AI-powered knowledge assistant with responsive design, intuitive UI, and real-time chat.
- Integrated Gemini API for intelligent query handling, natural language understanding, and contextual responses.
- Added conversation history and message threading for improved user interaction.

PrimeDesk – Modern Admin Dashboard | [Live Demo](#)

Technologies: React, JavaScript, Vite, Tailwind CSS

- Designed and developed a responsive admin dashboard with secure authentication and clean UI layout.
- Implemented sales analytics, interactive charts, product management, and visual performance reports.
- Ensured scalability, smooth navigation, and cross-device compatibility for efficient administration.

Personal Portfolio Website | [Live Demo](#)

Technologies: HTML, CSS, JavaScript, React, Vercel

- Built a modern personal portfolio website to highlight projects, technical expertise, and professional achievements.
- Enhanced user experience with smooth navigation, interactive UI components, and reliable vercel deployment.

EDUCATION QUALIFICATION

Bachelor of Computer Application (BCA)

SRI SRI UNIVERSITY, Cuttack, Odisha | Expected Graduation: 2026

High School (10 + 2) | Commerce

CHRIST HIGH SCHOOL, Cuttack, Odisha | 2021 – 2023

CERTIFICATION

- Artificial Intelligence Fundamentals – IBM SkillsBuild
- Software Engineering Job Simulation – JPMorgan Chase & Co.
